601-823-1324 | 601-823-1300
portfolioshowcase@msabrookhaven.org

Representatives of colleges and universities with programs in dance, media, literary, vocal, theatre, and visual arts can attend our Portfolio Review & College Showcase to see the MSA seniors perform, display, and demonstrate their artistic ability. This is an opportunity for the MSA students to meet with the faculty of your institution to discuss options for study and for colleges to recruit potential artists for their degree programs. At the MSA College Fair, representatives can discuss all degrees and career paths offered, available scholarships and financial aid, student housing, campus activities, and more. The slots will be first come, first served. Please visit the link above to register for the event and confirm your needs. Do not miss the opportunity to gain some of the best students for your arts programs!
